

Rumi rum rum chan was walking to the park. She was holding an umbrella, just in case it rained.

A cat was sitting on a bench. Rumi rum rum chan went over to the bench to pet the cat.

"hello, kitty"

But from a distance she heard a loud shouting voice. It was a big hairy beast! It ran towards her, screaming.

"AUUUUUUUUUUUUUUUUU!!!"

The cat got scared and jumped away.

"Why beast? What's wrong?!". But the beast didn't answer and ran away.

Later, Rumi rum rum was sitting in the park, watching the birds. One bird landed on her foot.

"Hello, birdie"

And as she said it, Rumi rum rum chan heard a loud growling from behind her.

"AUUUUUUUUUUUUUUUUU!!!"

The bird flew away very fast. Rumi rum rum chan turned around.

"Why Beast?! What do you want?!"

But the beast simply ran away.

On Rumi rum rum chan's way home, she saw her neighbor's dog. The dog was happy to see her.

It slowly walked towards Rumi rum rum chan and let her pet it's head. It smiled at her.

"Hello, doggie"

"AUUUUUUUUUUUUUUUUU!!!"

But behind the dog came a loud annoying sound only a beast could make. The dog ran into the house.

"Why beast?! Why are you so loud? So rude? Why?!"

But the beast did not say a word.

"Well," Rumi rum rum chan realized, "You want to be my friend?"

For the first time, the beast smiled.

"Then stop yelling."

Then Rumi rum rum chan closed her door.
