

Rumi rum rum chan was walking to the park. She was holding an umbrella in case it rained.

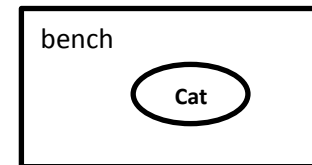

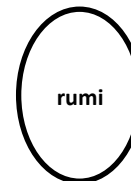

A cat was sitting on a bench. Rumi run run chan went over to the bench to pet the cat.

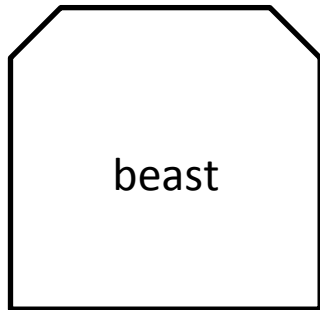

"hello, kitty"

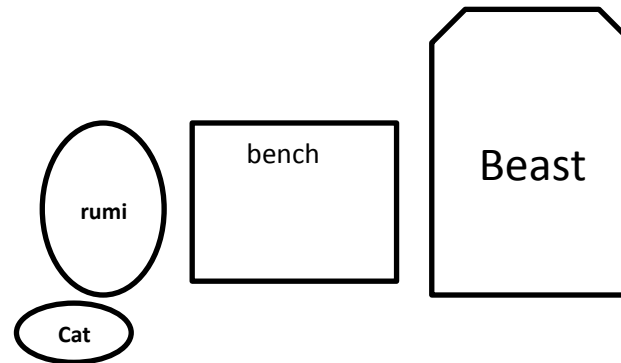

But from a distance she heard a loud shouting voice. It was a big hairy beast! It ran towards her, screaming.

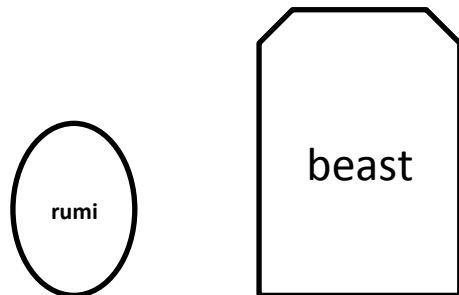

"AUUUUOOOOOOOOO!!!!"

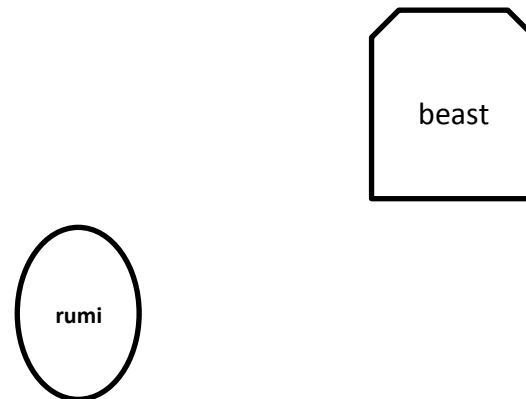

The cat got scared and jumped away.

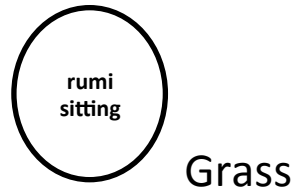

"Why beast? What's wrong?!"

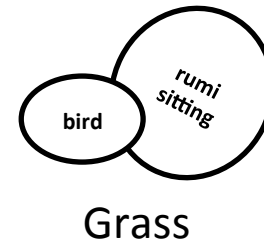

But the beast didn't answer and ran away.

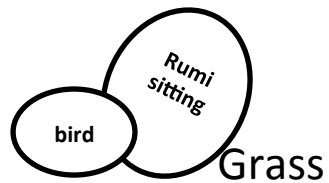

Later, Rumi rum rum was sitting in the park, watching the birds. One bird landed on her foot.

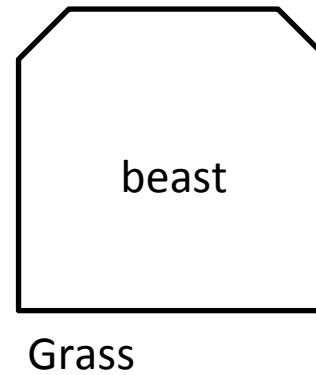

"Hello, birdie"

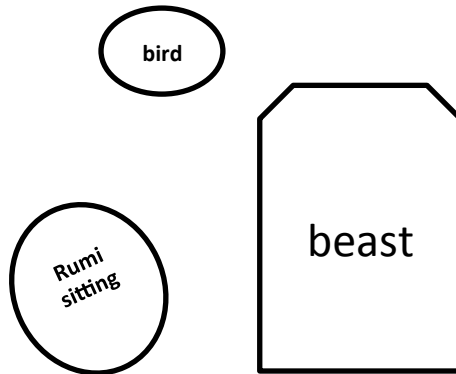

And as she said it, Rumi run run chan heard a loud growling from behind her.

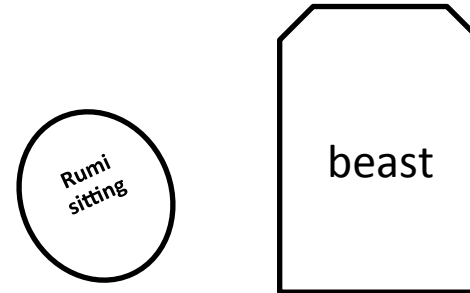

"AUUUUOOOOOOOOO!!!!"

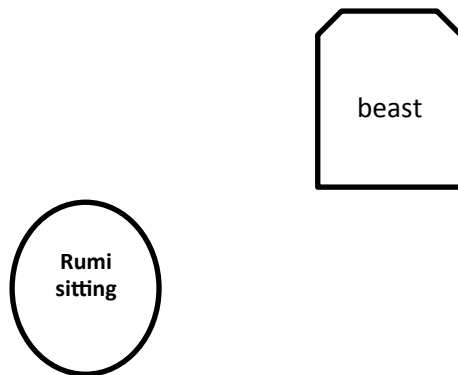

The bird flew away very fast. Rumi rum rum chan turned around.

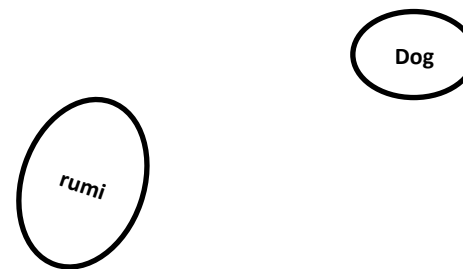

"Why Beast?! What do you want?!"

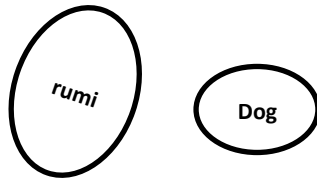

But the beast simply ran away.

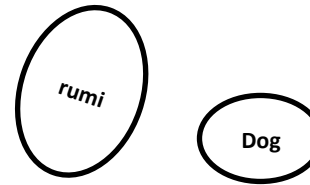

On Rumi rum rum chan's way home, she saw her neighbor's dog. The dog was happy to see her.

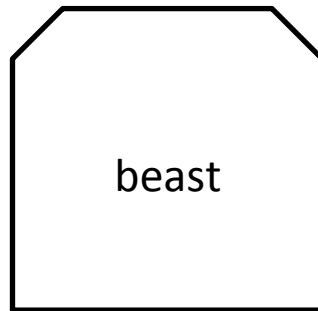

It slowly walked towards Rumi rum rum
chan and let her pet it's head. It smiled at
her.

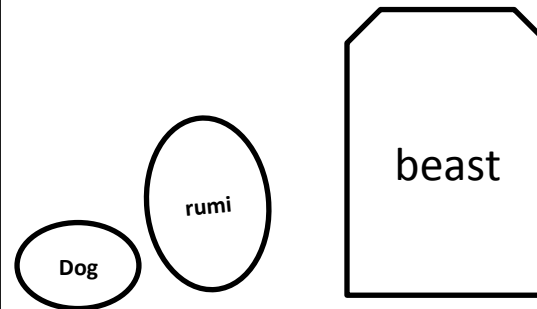

"Hello, doggie"

"AUUUUOOOOOOOOO!!!!"

But behind the dog came a loud annoying
sound only a beast could make. The dog
ran into the house.
